Dear *Friends*,

The volunteers of the Chesapeake Cancer Alliance (CCA)
are excited to present our fourteenth annual
CCA Festival of Trees, which will be held on Friday, November 29
and Saturday, November 30, 2019 at the Bel Air Armory.

This annual event showcases Christmas trees, wreaths, and gingerbread houses, each decorated and donated by local businesses, organizations and individuals and sold by silent auction. The event begins on Friday, November 29th, with hours from 4pm to 8pm and from 9am to 5pm on Saturday, November 30th.

Friday's patrons will be voting on their favorite trees, wreaths and gingerbread houses. Ribbon awards will be displayed on winning items for the Festival's open hours on Saturday.

CCA is proud to be a partner in the expansion of cancer care and improvement of health care services at UM Upper Chesapeake Health's Patricia D. and M. Scot Kaufman Cancer Center, a place of hope and healing, close to home. Proceeds raised from this event help us to meet our goal of donating $200,000 per year in support of University of Maryland Upper Chesapeake Health's Cancer LifeNet services and cancer-related programs at the Kaufman Cancer Center. Over the 15 years that CCA has been actively fundraising, we have raised an estimated $1,400,000, for Cancer LifeNet services and programs, thanks to community fundraising events such as this one.

Please consider joining us in this endeavor, either as a tree sponsor or through a monetary donation.

As always, thank you for your support.

Teresa Keller
