● GOLF RULES OF PLAY ●

Two Flights - each based on team scores.

- Captain's Choice:** Each team member hits a tee shot. The team selects the best shot. All players hit from that position and continue this procedure until the ball is holed. **Each player must hit one drive during the round of 18 holes.**
- Tie Breaker:** Ties will be decided by a match of score cards starting with the back nine scores.
- Improving Lies:** You may place your ball one club length (no closer to the hole) everywhere (even in hazards). However, you may not improve your lie out of a hazard; from the rough to the fairway; or onto the putting surface. Note: All players may improve their lie, including the person whose shot is being used.
- Holing Putts:** Once a putt is holed, play for that hole is over! If you miss a short putt, do not "tap in" before the other team members have had their turn!
- Tees:** Men shall play the blue tees
Ladies shall play the silver tees
Seniors shall play burgundy tees (age 65 and over)
- Health Package:** 4 per foursome: 10 raffle tickets, one mulligan, one sand toss (not to count as stroke) and one tee-off from Ladies' tee.
Ladies: one tee-off from fairway. Cost: \$50 per person.
