

REGATTA

HOSPICE

This annual celebration at Concord Point Park in Havre de Grace will be filled with community partners and supporters, grateful families, and health system leaders. The evening will feature local dining and beverage experiences courtesy of **MacGregor's, Laurrapin, Mission BBQ and Hopkins Brewery**. Entertainment will be provided by the band, **Crushing Day**, and a Regatta held by the **Havre de Grace Yacht Club**.

The Senator Bob Hooper House in Forest Hill is University of Maryland Upper Chesapeake Health's assisted living facility specializing in hospice care. It was named for the late state senator who was known as a devoted lifetime public servant as well as a lifelong Harford County business owner and resident. The Senator Bob Hooper House provides comfort to numerous residents in their final stage of life and to their families.

We hope you will join us as we celebrate the Senator Bob Hooper House. The care it provides would not be possible without your help.

Sincerely,
Cindy Hooper Hushon
